

Robert was a complete pushover when it came to the dogs. Over the last 20 years, he developed a routine - when he watched the evening news, he poured a small bowl of peanuts. Then the dogs would surround him, and he'd go around the circle, "One for me, now one for you, and one for you, and one for..." Round and round he went until the bowl was empty. And they'd wait their turn because they trusted their PawPaw to be fair.

Take your turn and enjoy some of PawPaw's peanuts.
